On Kaanapali Beach

Association of Apartment Owners

### AOAO ON-SITE STORAGE LOCKER ASSIGNMENT

The use of the locker is solely for the owner or their designated guest. The lockers are the property of the Whaler Association of Apartment Owners (AOAO) and as such, are not transferable on change of ownership. The owner in accepting use of the locker acknowledges that they have no individual ownership rights to the locker. Upon sale of the apartment, the assigned locker will be emptied and returned to the Association for assignment.

The locker is not to be used for the storage of flammables or any other items that would adversely affect the insurance rating of The Whaler on Ka'anapali Beach. The user also agrees to furnish to the Association one operating key or combination to be securely stored in an AOAO office. The owner agrees to allow the AOAO access to the interior of the locker as the association deems necessary for purpose of operation and maintenance of plumbing, electrical, communications, and any other requirements for support of the common element.

The user of the locker accepts the condition of the locker in "as is" condition and assumes all responsibility for its use. Further, the user agrees to hold the AOAO harmless for any injuries, damage, theft, or loss as a result of owner's use of the locker. Additionally, the association is not responsible for any damage caused by moisture, leaks, breaking pipes, or any other harm which may come to personal effects as a result of using the Association's storage space.
